Join us in Reno, Nevada in May 2022 for the **32nd International Symposium on Ballistics**. Enjoy the beauty of the area while you meet with colleagues from around the world in this unique setting. The symposium allows exposure to the most current state-of-the-art technology in ballistics, provides opportunities for interactions with some of the world's leading experts in the field of ballistics technology, and offers the chance to present, exhibit and share scientific research and development with an international group of professionals. The society encourages the presentation of a wide range of papers at the ISB, from work in progress through to high quality scientific papers. This is an exciting opportunity to learn and share with others in the field.

For more information on sponsorships, exhibiting, and attending contact Clay Tyeryar at ctyeryar@asmii.net or +1 (703) 533-0251.

A "Call for Abstracts" will be posted at www.ballistics.org.

The Peppermill Resort showcases the best of what Reno has to offer. From relaxing spas to fine dining, and access to a wide variety of outdoor activities, you'll find endless ways to enjoy your stay in these luxury accommodations.
